

Extreme Programming Explained: Embracing Change

Filesize: 7.98 MB

Reviews

Good e book and useful one. It really is simplistic but shocks in the 50 % of your book. Your way of life period will probably be convert the instant you total reading this ebook.

(Myah Williamson)

EXTREME PROGRAMMING EXPLAINED: EMBRACING CHANGE

[DOWNLOAD](#)

Pearson Education (US), United States, 2004. Paperback. Book Condition: New. 2nd Revised edition. 232 x 188 mm. Language: English . Brand New Book. In this second edition of Extreme Programming Explained, Kent Beck organizes and presents five years worth of experiences, growth, and change revolving around XP. If you are seriously interested in understanding how you and your team can start down the path of improvement with XP, you must read this book. -Francesco Cirillo, Chief Executive Officer, XPLabs S.R.L. The first edition of this book told us what XP was-it changed the way many of us think about software development. This second edition takes it farther and gives us a lot more of the why of XP, the motivations and the principles behind the practices. This is great stuff. Armed with the what and the why, we can now all set out to confidently work on the how : how to run our projects better, and how to get agile techniques adopted in our organizations. -Dave Thomas, The Pragmatic Programmers LLC This book is dynamite! It was revolutionary when it first appeared a few years ago, and this new edition is equally profound. For those who insist on cookbook checklists, there s an excellent chapter on primary practices, but I urge you to begin by truly contemplating the meaning of the opening sentence in the first chapter of Kent Beck s book: XP is about social change. You should do whatever it takes to ensure that every IT professional and every IT manager-all the way up to the CIO-has a copy of Extreme Programming Explained on his or her desk. -Ed Yourdon, author and consultant XP is a powerful set of concepts for simplifying the process of software design, development, and testing. It is about minimalism and incrementalism, which...
