Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Nitrous Oxide-Oxygen Analgesia and Anaesthesia in Normal Labor and Operative Obstetrics The National Anaesthesia Research Society, in presenting this Monograph for the consideration of the profession, wishes to thank, in an especial manner, the obstetricians and anaesthetists who have cooperated in acting as the Committee on Publication. The Society also feels deeply grateful to all those who have permitted the inclusion of their researches and clinical results. It is by such unified and co-operative efforts, as this Monograph, that progress, in any phase of a specialty, may be permanently recorded. The Monograph has been prepared for the benefit of all those concerned in safer and more efficient obstetrics and anaesthesia. It is the intention of The National Anaesthesia Research Society to issue, from time to time, other Monographs, on the application of anaesthesia and analgesia to other specialties in the practice of medicine and dentistry. Bound copies of this Monograph are obtainable from the office of the Executive Secretary, at \$2.50 each. Readers of this Monograph will no doubt be interested in knowing more about The National Anaesthesia Research Society, so the following details are given regarding its organization, purposes, control and activities: The Society was organized by forward-looking manufacturers of anaesthetics and apparatus to provide a limited financial foundation for the following objects: 1. To promote the science of anaesthesia and to enable the members of the Society, and others, to submit to the dental and medical professions any views, findings or accomplishments they have attained. 2. To obtain from all available sources, information concerning any material, liquid or gas, known to have anaesthetic properties. 3. To arrange in co-operation with dental, medical and...
