

New Targets in Inflammation: Inhibitors of Cox-2 or Adhesion Molecules Proceedings of a Conference Held on April 15-16, 1996, in New Orleans, USA, Supported by an Educational Grant from Boehringer Ingelheim

Book Review

Complete information for publication fans. Better then never, though i am quite late in start reading this one. Its been written in an extremely straightforward way in fact it is just soon after i finished reading this ebook in which basically altered me, change the way i believe.

(Ellie Stark)
