 someone you can see. When your mom leads you through the
 aisles of a store, you can clearly see her. Maybe you can even
 anticipate her next turn. But when you decide to follow Jesus,
 it's a different story. Or is it? For the people in the Bible who
 followed Jesus, it was a physical act. He was right there in front
 of them. But today, as you try to follow Jesus, how do you stay
 in step with him? Especially if you don't know who he is or
 where he's leading you? In Follow, you'll find 20 eye-opening
 studies that will draw you into the Bible and reveal to you the
 real Jesus. You'll discover how a guy who lived 2,000 years ago
 can impact your life today and for all eternity. Designed to
 address many of the questions that high school students have
 about Jesus, Follow will help you understand what it means to
 truly follow Jesus---and why it's worth it.'

I just began reading this pdf. It is actually writter in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
