

The Stomach: Its Disorders, and How to Cure Them (Classic Reprint)

By J H Kellogg

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Stomach: Its Disorders, and How to Cure Them An eminent comparative anatomist defines an animal as a stomach with various organs appended, - a definition which presents in a very clear light the relative importance of the stomach in the association of the organs and structures which constitute the human as well as the animal body. The stomach must certainly be regarded as the center of the nutritive processes of the body, and any derangement of its function must therefore result in disorder of the entire organism. The close relation between the condition of the stomach and that of the mind has been observed even by the most primitive nations, and has led some of them to regard the stomach as the veritable seat of the soul. There is sound truth in the ancient German adage, As a man eateth, so is he. It may truly be said that disorders of digestion are the most prevalent of all human ills, and investigators within the last twenty years have been making more and more clear...
