

Beyond Goodbye

Filesize: 3.59 MB

Reviews

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication i have go through. I realized this ebook from my i and dad suggested this publication to learn.

Paragon Publishing, United Kingdom, 2011. Paperback. Book Condition: New. 236 x 160 mm. Language: English . Brand New Book ***** Print on Demand *****.In her final moments of life Betty connected with her daughter on another continent - setting in motion a chain of surprising and unexpected events. At the exact time Betty began suffocating in her hospital bed in Oregon, her daughter Annie began choking at work in England. Somehow distance no longer mattered and as Betty began to die she was reaching across the heavens to say goodbye to her youngest child. Seven days later after her death, extraordinary events began to happen. Annie felt her mother trying to comfort her at night. And this was just the beginning. Empathically sharing in her mother's death had acted as a catalyst. Instantly, Annie's intuitive and psychic abilities dramatically increased, ultimately leading to a complete renewal of her faith. As a non-believer, Annie was completely transformed. She candidly shares her spiritual, paranormal and heavenly encounters, including verifiable after-death communications, seeing an angel, and talking with God. Annie's experiences led her on a journey of investigation. She consulted the world's experts on deathbed coincidences, near-death experiences and after-death communications, including: Dr. Penny Sartori, Dr. Pim van Lommel (author of the bestseller *Beyond Consciousness*), Dr. Peter Fenwick, Barbara Fenwick, Dr. Bruce Greyson, P.M.H. Atwater, and Barbara Whitfield. Talking with these experts confirmed that Annie's after-effects matched those of someone who had seen the light and had a near-death experience (NDE) although it was her mother who actually died. Editorial Reviews: I loved this book. I couldn't put it down. I'm sure many people will be comforted and will benefit greatly from reading this book. - Dr. Penny Sartori, PhD, RGN, lecturer and author of *The...*
