Reviews

Absolutely among the best publication I have got at any time go through. It really is writter in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.

WHEN THE DEVIL LAUGHS BOOK ONE

D.C. Marshall. Paperback. Book Condition: New. Paperback. 218 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. Right from the first page you're hooked! This story pulls you in and before you know it you're halfway through it, and unable to put it down. It's graphic and contains all the elements a story should have, romance, humor, passion, and suspense. It's an easy read and plays out like a movie in your mind. The story begins with a beautiful young woman named Tonya Wells-Marx who arrives in Playa Del Carmen, Mexico for a vacation and to visit with her mother after recently graduating from University. Her mother had been living in Playa Del Carmen working as a real estate agent for the past few years and was in the midst of negotiating a multi million dollar sale on a beachfront property. We are quickly introduced to Luke Cassalon and Jacob Stanley. The two of them, though very different in many ways are friends and partners in crime, and are in fact a couple of sociopaths who have been making millions off of snuff pornography aboard their luxury yacht by abducting and recording the brutal rapes of young women on vacation in the Caribbean. We are also introduced to Brock Castegere, Quinn Bailey, and Maria Carter; all of whom are extremely wealthy and arrive in Playa Del Carmen together for a vacation. There's romance and passion brewing everywhere until everything suddenly turns scary. Maria is abducted and the hunt is on to find her! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
