This inspiring, motivational and informative book is for those who want to take back their health and happiness. The material contained within will serve as a guide to help everyone reclaim mental, emotional, physical, and spiritual well-being. Health is a mind, body, and spirit function. One without the others does not make a whole. KAREN D.GILROY has a Master s of Science Degree in Holistic Health from the American Institute of Holistic Theology, Birmingham, AL. as well as a Masters in Natural Health and Nutrition from the Fit For Life Sciences Institute of the College of Natural (Hygiene) Health, Winnipeg Canada. Her passion is helping her clients recognize the natural self-regulating and self-repairing abilities of the human body. According to Karen, There is no need for any of us to be fearful of illness and disease. When we understand the infinite intelligence that our body possesses and why the body creates the healing crisis (illness), it can help us honor the healing process instead of interfering with the use of unnecessary medications and drugs. Our doctors patch us up, but the body does the healing. The Physician is within.Physician Heal Thyself.
