He answers not, but relaxes his pace, and finally, as his hand is almost upon the door, he stops. She comes to him, not with the radiant presence and the lithe step belonging naturally to her, but with a timorous, abashed, constrained deportment. Yet she would lean upon his shoulder, fall upon his neck, at a word, at the faintest of smiles; for, now that he has spoken of her mother, the countess s image rises up before her, and it comes upon her with all the old strength, how solitary he is, and how acutely he must feel the wound and the wrong. But her father s lips have so stern a compression, and his eye is so cold, that being near him seems to her like being within the confines of a frozen circle where hearts, and tongues, and hands grow...
