THE METROPOLITAN POLICE UNDERWATER SEARCH UNIT 1983 TO 1996

Lulu.com, United Kingdom, 2015. Paperback. Book Condition: New. 230 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.From 1983 to 1996 I was a Police Diver and Dive Supervisor in the elite Metropolitan Police Underwater Search Unit. During my service I dealt with many jobs that included the recovery of cars, weapons, stolen property, bodies involed in suicides, murder and accidents. Security searches for exploding devices and the ultimate and most tragic accident, the sinking of the passenger vessel Marchioness on the River Thames, with the loss of 51 people. The book contains true stories that will make you laugh, make you cry and make you shiver with horror. The last few pages contain very graphic pictures of bodies and heads, but before you get to them I have placed two warning pages for those that feel they cannot handle seeing them. I have written the book to give the reader a feel of what it was like to be a Police Diver, which I enjoyed for 13 years of my 30 year police service.
