

Environmental Policies In India

By Abhay Kumar, Surjith Karthikeyan

2015. Hardcover. Book Condition: New. 176 About The Book:- This book reviews the policies adopted towards protection of environment, abatement of pollution, green initiative legislation in India under the purview of several Ministries & other government bodies, and the basic approaches to Environmental Policy in general adopted in various Countries in the form of Eco-tax, Subsidies, Pollution Permits, Refundable Deposits for Pollution control, Allocation of Property Rights, Government Investment Programmes etc. It also concentrates on the theoretical explanation of Sustainable Development which includes economyenvironment linkages focusing on Ministry of Environment, Forest and Climate Change's initiatives towards Sustainable Development. The authors try to explain the feasibility of adopting Market Based Instruments (MBIs) such as ecological tax (eco tax) to regulate behaviour of individuals/firms towards environment and argues that under prevailing constitutional and legal framework in India, it can be imposed by the central government as part of Union budget (Finance Act) and also under the Environment (Protection) Act, 1986. About The Author: Shri Abhay Kumar is 2004 Batch Indian Economic Service (IES) officer currently working as Deputy Economic Adviser in the Ministry of Environment, Forest and Climate Change, Government of India. He has completed his graduation and post graduation from Delhi...
