CITY CENTRE

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, City Centre, Simon J. Halliday, Clive Woodward, Simon Halliday has tackled everything that life has thrown at him, be it on the rugby field, or in the City. He has been hit hard in his time, now he is hitting back. In his candid and lucidly written autobiography City Centre, Simon Halliday, a former England rugby international takes the reader on a roller-coaster trip along Twickenham's corridors of power and lifts the lid on the departure of, not one, but two chief executives, as the game's rulers fought among themselves for control of the RFU. He is scathing about England's descent from World Cup heroes to zeroes after proving they were the best in 2003. He slams the game's rulers for driving Sir Clive Woodward out of the game and for eschewing the opportunity to welcome him back to Twickenham a few years later. Halliday transcended the world of amateur and professional and he delivers a crushing analysis of the twin pressures of existing at the top of business and international sport. In addition to analysing his rugby career, City Centre is also a personal account of the fateful morning in September 2008 when Lehman Brothers collapsed, triggering a global financial crisis. Except that Halliday tells it from the inside, on the trading floor where he worked with thousands of others. Halliday also details the truth behind the ruthless mid-90s merger of the Swiss banking giants UBS and SBC, and the appalling behaviour of Credit Suisse in their ill-fated acquisition of his beloved DLJ at the end of the tech boom. It was while he was playing for Bath's all conquering rugby team of the 1980s that the double Oxford Blue in cricket and rugby suffered a horrific injury a week before...
