Such a task, I think, is likely to be of interest and value. It cannot but be useful to set the Prayer Book in its true historic perspective, to exhibit it as the outcome of a process of evolution, and to show the relation that exists between the ideas it embodies and the past life of Israel. But no less needful is it to bring into clearer relief the sublimity of our liturgy, and sympathetically to examine its claim to remain the chosen expression of Israel's prayerful yearnings at the present day.
