Brand New Book ***** Print on Demand *****.Surviving Primary School! - The secrets of body language, listening and intuition. And you really don't want to know what happened next. There are no two ways about it - our bodies talk to us and also talk to our environment about us! In this book you'll learn: How to interpret our intuitions How to understand what our bodies are telling us The secret of body language - the international language which isn't taught in any schools but can help you better understand what your friends are telling you, so you can work out what they really mean. This book, the third in the popular series, (the books can be read in any...
