Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Marlin Swift)

Arcadia Publishing (SC), United States, 1999. Paperback. Book Condition: New. 231 x 160 mm. Language: English . Brand New Book. Despite the odds of Indian raids, the Civil War, and one man s feud, Weatherford began as a small frontier settlement in the mid-1800s, and quickly grew into a bustling West Texas county seat known for its Victorian beauty, home-grown peaches, and small-town charm. Images of courthouse construction and early pioneering families are among the first glimpses into Weatherford s fascinating history. Other highlights include the development of downtown, forgotten changes to the square, the first city rodeo grounds, photos of the Queen of England sitting for her coronation portrait, as well as rare shots of some of the city s more famous past residents, Larry Hagman and his mother, Mary Martin, and Comanche Chief Quanah Parker. Additional scenes of schools, streets, politics, firemen, parks, hospitals, and residents provide an entertaining and educational illustration of the city s past.
