

Reproductive Trauma: Psychotherapy with Infertility and Pregnancy Loss Clients (Hardback)

By -

American Psychological Association, United States, 2010.
Hardback. Book Condition: New. 257 x 183 mm. Language: English . Brand New Book. This is a terrific book that identifies the multiple, devastating repercussions of reproductive trauma by examining the disruptions to one's own personalized reproductive story. Grounded in developmental theory and richly illustrated with clinical examples, it is a welcome, much-needed guide for all therapists working with this overlooked population. Beyond its stated purpose of teaching mental health professionals, its accessibility, sensitivity, and comprehensive scope make it a volume that will be useful to obstetric health providers, medical social workers, and bereavement specialists as well as the couples who experience these losses.ùIrving G. Leon, PhD, Adjunct Associate Professor of Obstetrics and Gynecology, University of Michigan Health System, Ann Arbor; author of When a Baby Dies: Psychotherapy for Pregnancy and Newborn LossJaffe and Diamond have done it again! Their concept of the reproductive story simultaneously validates a patient's experience and provides guidelines for processing reproductive events. It is an extremely valuable technique for therapists confronting increasingly complex medical technology and the psychological fallout. A much-needed contribution!ùLeslie Westlund Tam, MD, Reproductive Psychiatrist, San Diego, CAA comprehensive guide for the clinical practitioner. The...
