SOCIAL SECURITY REFORM: CURRENT ISSUES AND LEGISLATION

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Social Security program changes were among the measures discussed by the Joint Committee. The Joint Committee, however, did not reach agreement on a legislative proposal by the November 23, 2011, statutory deadline. They cite objectives that focus on improving the adequacy and equity of benefits, as well as those that reflect different philosophical views about the role of the Social Security program and the federal government in providing retirement income. However, the system's projected long-range financial outlook provides a backdrop for much of the Social Security reform debate in terms of the timing and degree of recommended program changes. On April 23, 2012, the Social Security Board of Trustees released its latest projections showing that the trust funds will...
