Brookmans Books, United Kingdom, 2014. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.SECRETS. LIES. CHOICES. When a pharmaceutical company hires Brody Taylor, elite hacker and social engineer, to fortify their digital-defences against a Chinese blackhat cyberattack, Brody stumbles across a secret the company strives to keep under wraps. In his private life, Brody has social engineered a beautiful French animal rights activist into becoming his new girlfriend. But as he unexpectedly falls head-over-heels with Mel, Brody realises he has trapped himself in a set of lies of his own making. Will Brody break his contract and expose the pharmaceutical company's secret, especially when he knows it could save his relationship with Mel? Or will he remain professional and risk losing everything? SOCIAL ENGINEER is a short 60-page standalone novella that can be read in under two hours! What readers say about Social Engineer: My God, is no one safe nowadays? It is truly terrifying. Nicely written, excellent read. It grabbed me at the beginning and didn't let go till the end. Overall a top book ! Really makes you think about what you post on Social Media!! Clever use of time shifts to differentiate between the two stories going on.
