The God of these people instructed them to take all the gold and jewelry that the Egyptian people possessed. Because of this GOD the Egyptian people gave it to these slaves willingly. The Leader of these people was empowered by their God to lead them through the Sinai Desert. This God empowered the Staff of this leader with great powers. The Egyptian army chased these people to the edge of the Red Sea. The leader raised his Staff and the Sea parted allowing the slaves to cross on dry land. When the Egyptian Army tried to follow through the same passage, the Leader of the slaves lowered the Staff and the Egyptian Army drowned. These people traveled for forty years through the wilderness of Shur, the Wilderness of Etham, the Wilderness of Sin, the Wilderness of Paran and the Wilderness of Zin. When the people came to the land of Moab at the foot of Mount Nebo, the leader died and he was buried with his empowered Staff at the foot of Mount Nebo. In a great Vault made of carved stones. They buried next to the leader all the Gold and Jewelry the Egyptians had given them. Also, in this tomb they placed stone Tablets. Inscribed on the stone tablets are the history of the people and all the laws of their God. The leader s burial place was unknown to the people, it was known only to their God. The people went forward to a new land that had been promised to them by God.
