Dorling Kindersley Ltd. Paperback. Book Condition: new. BRAND NEW, Karlology, Karl Pilkington, This is a voyage through the strange yet mesmerising mind of cult author Karl Pilkington, now in paperback. By his own admission Karl Pilkington left formal education behind with only an E in History to his name and not much else. Ever since, his thirst for knowledge has nagged. With this in mind, Karl has embarked on a tour of discovery to make up for the lost years of learning, and to find out more stuff. "Karlology" is the result. So what exactly has Karl Pilkington learned so far? This is a man, it should be noted, who thinks owning 1,777 acres of the moon is a good idea, and believes that the human testicles should be relocated to the earlobes. Maybe he's right. Perhaps his unique brand of wisdom and insight is what the world has been waiting for? Judge for yourself: observe, enjoy, and become a Karlologist. Illuminated by Karl Pilkington's own cartoons with extra wisdom from Ricky Gervais, Russell Brand, David Baddiel, Noel Fielding and others.
