Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The pressure is building, and an outlet must be found. VENT is a collection of stories set against one of the most pivotal backdrops in our lives: high school graduation. The characters in this assemblage of short fiction are as varied as the young men and women whose footsteps echo down the corridors of America's schools. Yet there is unity, too. Unity of place. Unity of angst. Unity of hope. VENT captures the turbulent final year of high school with genuine warmth and humor as the protagonists search for excitement, acceptance, and above all else, healthy release. Pressure can be deadly. And if they don't want to explode, each must learn to vent.
