WHAT SUCCESSFUL MENTORS DO: 81 RESEARCH-BASED STRATEGIES FOR NEW TEACHER INDUCTION, TRAINING, AND SUPPORT

SAGE Publications Inc, United States, 2005. Paperback. Book Condition: New. New ed.. 251 x 175 mm. Language: English . Brand New Book. There is no one size fits all professional development. Teaching is exciting and rewarding, but it is like pro football in that on any given day most anything may work, while on other days nothing seems to work. But you still need to keep on playing your best. Good mentors help keep good teachers playing at their very best. As the authors so aptly suggest, good teaching is more a journey than a destination. This book will help both mentors and teachers to navigate this journey successfully - Stephen Sroka, Health Education Consultant , Case Western Reserve University Bridging the gap between theory and practice, this book synthesizes current educational research and extends its application to in-service settings. Using a consistent and reader-friendly format, the authors present specific mentoring strategies accompanied by summaries of the research background validating the strategies, mentoring applications for the strategies, precautions and pitfalls helpful for implementation, and source citations for further reference. Strategies are organized into convenient categories that include developing teaching styles; time management strategies; classroom management policies; managing curriculum, instruction, and assessment; working with at-risk, special needs, and diverse populations; working with educational technologies; interacting with students, parents, and community; and more.
